SUBJECT : Introduction to the Clandestine Services
(JOT Program)

REFERENCE : Memorandum to D/TR, Subject: Introduction to
Clandestine Services (JOT Program), From: Chief,
Headquarters Training, OS/TR, dated 20 November 1963

25X1A

1. Discussions have been held with DDP Training Officer, [REDACTED], in connection with the Clandestine Services Orientation phase of the JOT Program. DDP/TRO felt that certain minor modifications of the one week reference program would enhance the program in relation to its objectives. He was particularly concerned with insuring that the content would assist the JOT in making a decision as to which component of the Agency he would best fit and, consequently, to which phase of operational training he would be assigned.

2. The principal changes (see schedule attached) involve elimination of the following lectures:

"Policy, Requirements and Clandestine Activities"
"The Wartime Role of the Clandestine Services"
"Operational Support of the Clandestine Services"
"The Reporting Functions"
Two of the three lectures entitled, "A Career in
the Clandestine Services"

At the request of DDP/TRO the following lectures will be added: "Cover in the Clandestine Services" and "Introduction to Technical Operations". It should be noted on the attached schedule that the A&E Staff will participate briefly at the beginning and at the end of the one week segment in order to obtain student attitudinal information. Certain other modifications have been made in terms of placement of material and in technique of presentation. For example, the presentation entitled, "Clandestine Services at Headquarters and Abroad" has been modified to be given as two separate presentations.
